The Great Open B. B. Meeting

The largest and best open meeting held in the history of the Fort Worth B'nai B'rith Lodge, was held Sunday night in the new Temple Beth-El. The orator of the occasion was Bro. A. B. Freyer of Shreveport, La., first vice-president of District No. 7. The initiation team was in full dress and the ritual was recited from memory. The following took part:

L. F. Shanblum, Master of Ceremonies; Elie Gilbert, Dave Colton, Dr. E. Toomim, Dr. Maurice Cohn, Abe Rosenstein, Dr. Antweil and Alex Marshall.

Dr. George Fox introduced Mr. Shanblum, who acted also as chairman of the evening. Messrs. Henry Gernsbacher and U. M. Simon, two tried workers of the lodge were also upon the platform.

The large new auditorium was comfortably filled, and the large crowd thoroughly enjoyed the initiation, as well as the addresses of the evening, and the splendid musical program worked out under the direction of Mrs. Louis Morris. The initiation was made the more impressive by the music and the unanimous sentiment of those present was that the initiation was the most inspiring one ever held in the city.

Those who took part in the musical program were: Mrs. Louis Morris, Director; Mrs. Dan Brown, Master Issie Baum and Mr. Sam Losh.

The B'nai B'rith Luncheon Club

One of the most interesting of the B'nai B'rith activities is the B'nai B'rith Luncheon Club. This club has an attendance of from twenty-five to thirty men, and has already resulted in getting fifteen new members for the order. The last meeting was addressed by several members. The Club is proving a most interesting gathering place for Jewish business men, and is becoming a forum for the discussion of matters of Jewish interest. Those who do not attend miss something worth while. Make reservations by phoning to Dave Colton, President, or Dr. Maurice Cohen, Secretary.
